

Annual Remediation Report Revenue Form

Revenues should be reported from the previous academic year (Summer II-Summer I).

Report **Restricted and Unrestricted E&G** revenues that relate specifically to the Remedial courses.

Report amounts to the nearest dollar.

Tuition and Fees do not need to be reported below. These will be calculated using the Remedial SSCH multiplied by the in-state (in-district rate when applicable) tuition and E&G fees.

NOTE: The University charges the following rate(s) for Remedial Education:

FY-12 Developmental Instruction - Resident rate \$117.50/cr hr

FY-12 Developmental Instruction - Non-Resident rate \$465.26/cr hr

Non- Mandatory Fees

Examples include testing, online or lab fees associated only with remedial courses.

Governmental Appropriations/Other State Funding

Exclude State General Revenue. This would include state governmental funding attributed solely to remediation i.e. general improvement funds

Governmental Grants and Contracts

Examples include federal grants such as TRIO or Complete College America.
