

Enhance your digital experience with the U.S. Bank Mobile App.

The innovative U.S. Bank Mobile App makes it easy for you to manage your money on the go.

It's enhanced with a better user experience, easier navigation, and help when you need it.

Biometric login – Use your face or fingerprint for a more secure login experience.

Authentication code – For your security, we'll prompt users to enter an authentication code when logging in on a new or different device.

Transaction search – Find transactions quickly and easily with the new search bar.

With the mobile app, you can also:

Enroll and manage text¹ and email alerts

Check your balance and transaction details

Find the nearest ATM based on location or ZIP code

To download the app, scan the QR code or search for U.S. Bank on the App Store[®] or Google Play[™].

¹For text messages, standard messaging charges apply through your mobile carrier and message frequency depends on account settings.
